A diversified 50-acre family farm raising natural pasture-based livestock and mixed vegetables. Our vegetable gardens are fed only organic soil amendments, and the grain we use is free of antibiotics and added hormones. We offer: pastured chickens (broilers, roasters, boneless breast and leg quarters), turkeys, grassfed beef (steaks, roasts, lean ground & stew meat), pastured pork (ribs, roasts, chops, nitrate free hams, bacon and sausage—hot italian, sweet & breakfast), lamb, free-range eggs, & mixed vegetables. Orders taken for sides or whole beef, lamb & pork. Ask about our CSA plans for a mixed vegetable

share or a combination vegetable & meat share. At market Tue. & Sat. all season.

### Worcester's Wild Blueberries

Everett & Lee Worcester, 29 W. Main St., Milo ME 04463, 943-5501 or 948-8804.

Our blueberry lands and roadside stand are located in Orneville just south of the Milo town line on Rte. 11. Fresh, clean berries ready to use "out of the box" in pints, quarts, and freezer-ready 5 lb. boxes. Delicious wild blueberry blossom honey which honey lovers will find especially tasty. Our blueberry jam and jellies are available in 3 lb sizes and our blueberry syrup is perfect for pancakes. We sell wholesale and retail mid-July through August.

### Going to market ...

is a rich experience in meeting and greeting produce and people. One can see and taste what's in season and learn to prepare the season's local best with respect.

Farmers universally love to share recipes, so shoppers should be unafraid to ask what to do with one foodstuff or another.

Today the thrill of outdoor markets is sweeping American towns and cities from Santa Monica to Orono.

### Every One Bring One
